

CONSENT to Personal Data Processing

I, Kondratova Svetlana E.,
(Last, first, patronymic name (if available))

being the Author of the article ASSESSMENT OF INMATE KNOWLEDGE
ON THE RISKS OF HIV INFECTION AS A DETERMINANT FOR ANTI-EPIDEMIC
MEASURES IN RISK GROUPS

(Title)

(hereinafter referred to as the article), acting freely, by my own will and in my own interest, hereby give consent to the Federal Center for Hygiene and Epidemiology, Federal Budgetary Health Institution of the Federal Service for Surveillance in the Sphere of Consumer Rights and Human Welfare (Rospotrebnadzor) (Editorial Board of the Scientific and Practical Journal *Public Health and Life Environment – PH&LE*), legal address: 19A Varshavskoe Shosse, Moscow, 117105, Russian Federation, to process (take any action (operation) or a set of actions (operations) performed using automation tools or without using such tools with personal data including collection, record, systematization, accumulation, storage, clarification (updating, amendment), extraction, use, transfer (distribution, provision, access), depersonalization, blocking, deletion, destruction) of my personal data including last, first and patronymic name, academic titles (if available), academic degree (if available), affiliation, position, contact information (email and telephone number) for the Federal Center for Hygiene and Epidemiology of Rospotrebnadzor to do the following:

- indicate personal data of the Author (Co-author) when publishing the article in the Journal *Public Health and Life Environment*, and
- indicate personal data of the Author (Co-author) when posting the article on websites of Scientific Electronic Libraries and other information resources on the Internet.

Personal data are provided by the Author (Co-author) to the Federal Center for Hygiene and Epidemiology of Rospotrebnadzor for their processing in accordance with Federal Law of 27 July 2006 No. 152-FZ on Personal Data Protection.

The Federal Center for Hygiene and Epidemiology of Rospotrebnadzor guarantees that personal data of the Author (Co-author) will be used for publication purposes only. Personal data of the Author (Co-author) may be disclosed to third parties in cases and in the manner provided for by this Consent and legislation of the Russian Federation.

The Author (Co-author) is informed that:

- 1) the consent to process personal data comes into force on the date of signing this consent form and applies to the entire period of posting personal data of the Author (Co-author) when publishing the article in the Journal and on the websites of Scientific Electronic Libraries and other information resources on the Internet;
- 2) the consent to personal data processing can be withdrawn by the Author (Co-author) based on a written free-format request;
- 3) in case of withdrawal of consent to personal data processing, the Federal Center for Hygiene and Epidemiology has the right to continue processing personal data without consent in accordance with paragraphs 2 – 11, part 1 of article 6, part 2 of article 10 and part 2 of article 11 of Federal Law of 27 July 2006 No. 152-FZ on Personal Data Protection; and
- 4) personal data provided in relation to third parties will be processed only for the purposes specified in this consent.

Personal data processing start date: “26” September 2022.
